FOR IMMEDIATE RELEASE

THE AAA FOUR DIAMOND STREAK CONTINUES FOR WISCONSIN'S OSTHOFF RESORT
17 Years in a Row for Prestigious Rating, Happy News during Milestone Anniversary Year

ELKHART LAKE, Wis. (May 2015) – The Osthoff Resort in Elkhart Lake, Wis. today announced it has received the prestigious AAA Four Diamond Rating for the 17th straight year. While it is happy news on its own, the rating streak takes on even greater significance given 2015 marks the 20th anniversary of the resort. It is also a fitting complement to other recent awards for the hotel, including being ranked one of the Top 500 Hotels and Resorts in the World for 2014 by the readers of *Travel + Leisure* magazine and being named a 2014 Certificate of Excellence winner by TripAdvisor.com. In 2013 *Condé Nast Traveler* magazine named the resort's Aspira Spa the #3 spa in North America. For more on the resort, access the web site at www.Osthoff.com.

For 79 years AAA has used professional inspectors to conduct in-person property inspections. Only 5.4 percent of the more than 28,000 AAA Approved and Diamond Rated hotels make the Four Diamond list.

The rating is evidence of The Osthoff Resort's extensive array of amenities and personalized guest services, as well as its elegant guest rooms and lovely lake setting.

The Osthoff Resort is located just one hour north of Milwaukee, less than two hours from Madison and approximately three hours from Chicago. It hugs the shoreline of pristine Elkhart Lake and features spacious all-suite accommodations, two restaurants, a full-service spa, classic cooking school, lakeside deck with dining and live music, year-round recreation and events, gift boutiques, and grand conference rooms. The most recent addition to the resort is the 10,000 square foot Grand Libelle Ballroom.
