## Gardening Workshops

### Living Wreaths

Create a wreath to take home, from base to finish. Choose between succulents in split wreath form for umbrella tables, or herbal wreaths for wall or tabletop. Learn construction, care and overwintering techniques. All materials will be provided. \$50

### Fairy Gardens, Terrariums

Ideal for decks, small gardens or interiors, these miniature landscapes are a delightful personal design challenge. Various containers—rustic, vintage or formal—are appropriate for Fairy Gardens. The self-contained terrarium is also “gardener’s choice.” If you have a special vessel, bring it, or choose from our selection. Plants, soil, care instructions and a container are all included. Bring any small ornaments you wish to include. \$75

# Floral Workshops

Our floral workshops provide 60–90 minutes of hands-on, interactive fun for anyone who wants to gain additional experience in floral care, principles of design, techniques and helpful tips. Embrace your creativity! Workshops are available and scheduled by appointment for private groups or teambuilding activities for corporate retreats. Please contact our floral designer for quotes on group workshops.

## Workshops

### Seasonal or Holiday Wreath

Create a Seasonal or Holiday mesh ribbon wreath, to take home, from base to finish. Learn construction and care. All materials will be provided. Great group activity! \$50

### Houseplant Workshop

Green plants indoors help purify air, and enliven your surroundings. A hands-on workshop explaining care, propagation, foliage and blooming plants that can move outdoors in the summer. Take home a basket of plants suitable for interior and outdoor containers. \$45

### Floral Design Basics

Hands-on construction of a take-home centerpiece. Learn basics of handling fresh flowers, techniques of design, and tips for longevity of cut flowers. \$35

### Seasonal Florals

Create an arrangement of seasonal greens and accents, punctuated with fresh flowers. Choose from our containers or bring your own special vessel to display your completed work. These arrays will last for weeks! (Container size should not exceed 8-inch diameter.) \$50
